Re: United States v. Darryl Sousa, 1:10-CR-034 (LEK)

Dear Judge Kahn:

The Government submits this response to the defendant's pro-se motion seeking early termination from his Supervised Release term. The Government has conferred with USPO Jordan Buescher, who has been supervising the defendant in the District of Colorado and the Government notes that USPO Buescher does not oppose the defendant's motion to terminate his term of supervised release. The Government therefore does not oppose the defendant's motion for early termination of Supervised Release.

On January 28, 2010, the defendant pled guilty to a one count Information 1:10-CR-034 (LEK) charging a violation of 21 U.S.C. § 846, Conspiracy to Possess with Intent to Distribute more than 50 Kilograms of Marijuana. On March 20, 2012, the defendant was sentenced to 33 months imprisonment and 3 years supervised release. According to USPO Buescher, the defendant has maintained overall compliance and is not in need of substance abuse, mental health, education, or other services.

For all these reasons, we respectfully do not oppose the defendant's motion for early release from his SR term. Thank you for your consideration in this matter.
